

Education

2015 – 2019	Ph.D. Biological Education, Population Genetics University of Northern Colorado, Greeley Advisor: Mitchell McGlaughlin
2010 – 2012	M.S. Biological Science, Population Genetics University of Northern Colorado, Greeley Advisor: Mitchell McGlaughlin
2007 – 2009	B.S. University of Northern Colorado, Greeley Cellular and Molecular Biology
1992 – 1997	Colorado State University, Ft. Collins Anatomy & Physiology

Work Experience

Present	Associate Lecturer, University of Colorado
Present	Principal Research Director, Board Member, and Course Developer Agricultural Genomics Foundation (501(c)3 non-profit)
Present	Affiliate Faculty, University of Northern Colorado
2021 - 2024	Director of R&D and Education, Shore Organics/420 Organics
2020 - 2021	Adjunct Faculty, University of Northern Colorado
2019 - 2020	Freelance Consulting, CCLabCorp Inc.
2019 - 2020	Research Coordinator, Mile High Labs
2015 - 2019	Graduate Lecturer & Lab Coordinator, University of Northern Colorado
2012 - 2015	Genetics Lab Manager , Denver Botanic Gardens
2009 - 2012	Herbarium Coordinator, University of Northern Colorado

Teaching Experience

University of Colorado, Boulder (Instructor)

- Advanced Cannabis Science (EBIO 4220) Spring 2025- present
- Basic Cannabis Science (EBIO 3000) Fall 2024 – present
- Modern Cannabis Science (EBIO 4460) Fall 2020 – Fall 2024

Shore Organics/420 Organics (Instructor)

- Comprehensive NJ Training Program

University of Northern Colorado (Instructor)

- Introduction to Genetics (BIO 220), Fall 2020
- Advanced Human Physiology & Anatomy (BIO 246), Summer 2019

University of Northern Colorado (Assistant Instructor)

- Conservation Biology (BIO 462), Fall 2018

University of Northern Colorado (Graduate Teaching Assistant)

- Human Anatomy & Physiology Lab (BIO 245) 2010-2012 & 2016-2019
- Advanced Human Anatomy & Physiology Lab (BIO 246) 2010-2012 & 2016-2017
- Introduction to Biology (BIO 110) 2015

Gardens on Spring Creek (Instructor)

- Introduction to Botanical Art & Illustration, Summer 2015
- Color Theory, Spring 2015

Grants & Awards

2023 **Stockton University**, Hemp Plastic Research Award \$250,000 (2023)

2012 – 2019 **University of Northern Colorado**

Graduate Dean's Citation for Excellence (2019)

Graduate Dean's Citation for Outstanding Dissertation (2019)

Graduate Student Association. Research/Conference Grant \$600 (2019)

Graduate Student Association. Research/Conference Grant \$600 (2019)

Graduate Student Association. Research/Conference Grant \$150 (2019)

School of Biological Sciences. Research/Conference Grant \$500 (2018)

Graduate Student Association. Research/Conference Grant \$300 (2018)

Graduate Student Association. Research/Conference Grant \$600 (2017)

Gerald Schmidt Memorial Biology Scholarship Award \$375 (2016)

Graduate School. Hutchinson-Lahman Travel Award \$400 (2016)

Graduate Student Association. Research/Conference Grant \$348 (2015)

Graduate Student Association. Research/Conference Grant \$208 (2012)

2017 **Society for In Vitro Biology**, Workshop on Cannabis Best Practices and Regulations Conference invitation and travel award \$1000

2014 **Desert Ecosystem Analysis & Restoration**, Genetic diversity of *Sclerocactus glaucus*. \$6,839

2011 **Colorado Native Plant Society**, Myrna P. Steinkamp Grant \$1000

Selected Presentations

- 2025 Presenter: SUNY Cannabis Conference, Niagara Falls NY.
- 2024 Presenter: Curious About Cannabis Master Class, Live Webinar
- 2024 Presenter: Hemp/Cannabis Symposium, Southern Illinois University, Carbondale IL.
- 2024 Panelist: Cannabis Research, MJ Unpacked, Atlantic City NJ.
- 2024 Panelist Cannabis Quality, MJ Unpacked, Atlantic City NJ.
- 2024 Presenter: Cannabis Genomics Conference, Barcelona Spain.
- 2024 Presenter: CANN International Cannabis Chemistry Journal Club live webinar.
- 2024 Presenter: Cannabis Public School, live webinar.
- 2023 Presenter: Curious About Cannabis Master Class, Live Webinar
- 2023 Poster: Emerald Conference, San Diego CA.
- 2022 Presenter & Panelist: CaliSensi Cannabis Growers' Cultivation Conference, Aptos CA.
- 2022 Presenter: Curious About Cannabis Master Class, Live Webinar
- 2022 Presenter: Delta 8 Expo in Partnership with CBD Expo Tour, Orlando FL.
- 2021 Panelist: Delta 8 Expo in Partnership with CBD Expo Tour, Orlando FL.
- 2021 Presenter: Curious About Cannabis Master Class, Live Webinar
- 2021 Presenter: International Cannabinoid Derived Pharmaceuticals Summit, Boston MA.
- 2020 Presenter: Curious About Cannabis Master Class, Live Webinar
- 2019 Poster: Association for Chemoreception Sciences Annual Meeting, Bonita Springs FL.
- 2019 Presenter: Cannabis Aroma, Institute of Cannabis Research Conference, Pueblo CO.
- 2019 Presenter: Cannabis Genetics, Institute of Cannabis Research Conference, Pueblo CO.
- 2019 Presenter: Doctoral Defense, University of Northern Colorado, Greeley CO.
- 2018 Presenter: Botany 2018 Conference, Rochester MN.
- 2018 Presenter: University of Northern Colorado, Greeley CO.
- 2018 Poster: University of Northern Colorado, Greeley CO.
- 2018 Presenter: Cannabis Research Interest Group, University of Northern Colorado, Greeley CO.
- 2018 Presenter: Café Botanique, Denver Botanic Gardens, Denver CO.
- 2017 Presenter: Society of In Vitro Biology Conference, Raleigh NC.
- 2017 Presenter: Institute of Cannabis Research Conference, Pueblo CO.

Other Professional Activities

Reviewer For Peer J, Journal of Cannabis Research, BMC Genomics, Scientific Reports, and AoB Plants
Science Committee Member for MJUnpacked and the Emerald Conference at MJBizCon

Board Member for Agricultural Genomics Foundation Board Member

Memberships

- Rocky Mountain Society of Botanical Artists
- American Society of Botanical Artists
- Colorado Native Plant Society
- Botanical Society of America

Education, Research, and Management Skills

Teaching: course development (Basic Cannabis Science, Advanced Cannabis Science, Modern Cannabis Science, Conservation Biology, Anatomy & Physiology), writing syllabi, scheduling content, exam preparation, laboratory development.

Communication: science communication, college course design, grant proposals and reports, public speaking, Macintosh and PC, Microsoft Office programs (Excel, PowerPoint, Word), scientific and public presentations using PowerPoint and Prezi.

Horticulture: Plant identification and taxonomy, soil science and management, irrigation and water management, pruning and trimming, pest and disease management, plant propagation techniques, nutrient management and fertilization, greenhouse management, integrated pest management (IPM), hydroponics and aquaponics systems, climate control and environmental monitoring, harvesting and post-harvest handling, organic farming practices, crop rotation and companion planting, plant physiology and growth regulation, seed saving and breeding, sustainable agriculture practices.

Quality & Compliance: Regulatory compliance, quality assurance, quality control, standard operating procedures (SOPs), auditing and inspections, good manufacturing practices (GMP), good agricultural practices (GAP), documentation and record-keeping, risk management, product testing and validation, compliance training and education, environmental health and safety (EHS), labeling and packaging compliance, ISO standards, internal and external reporting.

Laboratory: University level course development, protocol development, method validation, project management, science communication, team building and inclusion, data collection, experimental design & management, operating procedure development, data and statistical analysis, inventory management, interpersonal skills, initiative, analytical and critical thinking, collaborative projects, public speaking, leadership.

Software & Technology: Canva, Movavi, Wix, Biorender, iMovie, ChatGPT, Gamma, LearnWorlds, Graphy, Canvas, Blackboard, educational materials, marketing materials, promotional material, social media content creation.

Management: inventory, team leadership, team building and retention, budgeting, organizing, payroll, quality control, quality assurance, supervising, scheduling, marketing.
